

Warren Central High School

## Woodwind, Brass, Percussion Booster Club Contract

Band Booster Fee	\$100	_____ (required)
Meal Plan	\$30	_____ (optional)
	<b>TOTAL:</b>	_____

The student/parent understands that the student has been CHOSEN to be a part of the Big Blue Band. It is very important to note that this program only thrives when individuals thrive. When a student misses a rehearsal/performance, the entire group suffers along with that individual.

I agree to pay all the fees outlined above on the scheduled payment dates and understand that failure to pay these fees by the due dates will result in student being placed on the school fine list. Band Members on the fine list will not be able to receive grades and, ultimately not be able to receive their diploma. Fine lists are submitted each semester in Office A. Additionally, students/parents that do not make payments will be removed from performances and travel until fees are paid and/or a payment plan is arranged and followed.

The parent/student understands that this agreement cannot be reversed. The student/parent understands that the entire program suffers when the student is punished (either by the school or by the parents) and cannot attend rehearsals or other functions. Not attending rehearsals and/or performances will result in lowering the band grade.
