The instrument you have lease-purchased from Mississippi Music Inc. has **Comprehensive Maintenance and Replacement coverage (CMR)** for the term of the contract. CMR assures you and your Band Director that unexpected and possibly unaffordable expenses will not interrupt your child's education. This coverage may be renewed.

COMPREHENSIVE MAINTENANCE AND REPLACEMENT COVERS THE FOLLOWING:

1. Any repair needed to keep the instrument in good playing condition. (Outside of abuse or negligence)
2. Replacement of the instrument if stolen or damaged beyond repair. Stolen or damaged instruments will be replaced with instruments of equal value or age comparable to the instrument stolen or damaged. To qualify for replacement, an instrument must be kept in a secure, supervised area. A police or fire marshal's report must be submitted within 30 days from date of loss. Abuse or negligence to the instrument may cause coverage to be null and void.
3. Drumheads, strings or bows are replaced at half-price.

All accounts must be paid up-to-date and current in order to be eligible for this coverage.

CMR DOES NOT COVER:

1. Damage caused by repairs attempted by anyone other than MMI technicians.
2. Dents and abrasions that do not affect the playing.
3. Expendable items such as mouthpieces, drum sticks, reeds, oils, lubricants and drum pads.
4. Case repair.
5. Cleaning.
